

Do you have ideas for how planning teams can work with the City?
Could the small grant process be improved?
Want more learning and training opportunities?

(RE)IMAGINING

THE NEIGHBOURHOOD ACTION STRATEGY

The (re)Imagining Project Team is working to discover the best ways for the NAS to be a relevant, effective and sustainable resource for residents and their neighbourhoods now and in the future. We need your input and ideas!

This Fall, (re)Imagine is hosting **FOUR** Community Conversations in different locations across the City.
